

Twelve Injured In Accident Series On Local Highway

Boy Run Over By Auto In Squaw Valley; Many Others Hurt

Twelve people were hurt, four seriously in five motor vehicle accidents reported by the California Highway Patrol during the weekend in this vicinity.

Most seriously injured were Ernest Williams, 30, and Lewis Williams, 39, both of San Pablo who were hurt when the sports car driven by the latter went out of control near the quarantine station west of here and was demolished. Two passengers, Carol Madole, 18, and Lloyd Madole, 25, also of San Pablo, escaped with minor injuries. The accident occurred Friday at 6:20 a. m. The driver was cited for going too fast and not having his vehicle under control.

Friday morning at 10:30 Jack Rose, 32, Los Altos was injured when his car skidded while passing another vehicle on Donner grade and crashed into the rocks. He was cited for speeding.

Stanley Woo, 24, and Ann Anderson, 9, were injured Saturday at 5:30 p. m. when cars driven by Gertrude Anderson and Harry Gong collided near Donner Lake. All the parties involved were from San Francisco and told conflicting stories of how the mishap occurred.

Four people were injured Monday at 6:50 p. m. when a car driven by Ray Golden, 26, Richmond, ran into the rear of one operated by Hugh D. Brown of Grass Valley near Donner Monument. Brown was cited for making an illegal stop to pick up a hitchhiker, the California Highway Patrol reported.

Injured were Golden, his wife, Roberta and their three-year-old daughter and Mrs. Mac Sarah Layton, 80.

Seven year old Thomas Zehnder of Elk Grove was seriously injured Saturday afternoon when he was knocked down and run over by a car operated by James Lyon of Reno near the Blythe arena at Squaw Valley. Since the accident occurred on private property, Lyon was not cited, the California Highway Patrol reported. The boy was taken to the Tahoe Forest Hospital.

Park Official Will Address Chamber

What effect the establishment of Squaw Valley as a part of the state's park system will have on this community is the question which may be answered next Wednesday when Ted Wilson, park supervisor of Squaw Valley for the division of beaches and parks, will address the Truckee Donner Chamber of Commerce at Smarts.

Lee Apple, chamber president, said everyone interested is invited to attend the noon luncheon meeting. Suggestions on Truckee-Donner participation in the program will be welcomed, Apple said.

Apple will also name his board of directors and give a tentative outline of his proposed program for the coming year.

The new president took office at the last meeting, replacing N. F. Dolley who was immediately appointed chamber manager for the coming year.

TWO WEST COUNTY PAPERS COMBINED

NEVADA CITY — The Nevada County Nugget has been sold to The Nevada County Citizen, Inc., it was announced by John D. Truscott, publisher of The Nugget, and Alfred E. Heller, publisher of The Citizen.

The two county seat weekly newspapers will be combined for the March 16 edition, retaining the name of the 34-year-old Nugget and with R. Dean Thompson of The Citizen continuing as editor-manager. Truscott Printing Company will continue to maintain its job printing plan in Grass Valley under lease to James Trathen.

ROBERT MERICA IS HONORED AT RENO

Robert Merica, son of Mr. and Mrs. Charles Merica had the honor of receiving a award Saturday, March 5 at Reno, Nevada when he was one of the boys selected as a member of the division's all-tourney basketball team. Merica has also been invited to play next August in the football division, it was reported.

GIOVANNONIS ARE PARENTS OF SON

Frank Giovannoni, Jr., has been passing out cigars since the arrival of their first son, born March 9 at Reno. Paul Andrew were the given names chosen for the lad who weighed in at 8 pounds, 2 ounces.

Paul and his mother, Mrs. Giovannoni came home the first of this week.

Baseball Practice Opens At School; Schedule Is Told

Although you wouldn't think so by glancing out the window, baseball practice got under way last night in the Tahoe Truckee gymnasium. Several lettermen were on hand to greet Coach Cal Farley, and a large turnout was in evidence.

Faced with the perennial weather situation and the loss from last season's squad of Craig Robinson, one of the best pitchers in northern California and all of Nevada, Coach Farley is not too optimistic about this season's eventual won-lost record.

To add to his woes, the Northern Nevada Conference has been split into two divisions this year and the Wolverines, obviously for geographic reasons, were grouped in what would appear to be the roughest bracket. Tahoe Truckee must face in a home and home series the perennial powers of the league, Reno, Sparks and Manogue. Carson City and South Tahoe, with Tahoe Truckee, complete the western division league.

A home and home series with Portola, of the Feather River League, has been scheduled. This, together with our ten league games, will complete a twelve-game slate.

Coach Farley declined to name any potential starters, and stated that several positions will be up for grabs before the season's opener, April 1, at Reno, with the powerful Huskies.

Following is the season's schedule:

- April 1 Reno there.
- April 2 Carson there.
- April 5 Portola here.
- April 8 Sparks there.
- April 9 Manogue here.
- April 15 South Tahoe here.
- April 20 Portola there.
- April 22 Reno here.
- April 23 Carson there.
- April 29 Sparks there.
- May 6 South Tahoe there.
- May 13-14 Conf. play-offs.
- May 20-21 State play-offs.

Bids Invited For Clearing Dam Site

Invitation for bids have been issued by the bureau of reclamation office for the clearing of Prosser Creek reservoir site. The bid will be held on April 14, at 2 p. m., in the office of the Bureau of Reclamation, Carson City.

The principal items of work to be performed under these specifications include clearing trees and brush within the reservoir area, and the removing of approximately 1 1/2 miles of fence, seven wooden buildings, two timber bridges, and one rock fireplace chimney. The area to be cleared consists of approximately 7 acres of more heavily timbered area, with additional scattered brush and trees.

Prosser Creek Dam, located approximately 4 miles northeast of Truckee, is the first unit to be constructed of the Washoe Project, which was authorized by Congress in 1956. The contract for construction of the dam was awarded to R. A. Heintz Construction Company of Portland, Oregon, in December and actual construction is to commence as soon as weather conditions permit.

TELEVISION MEETING AT TAHOE MONDAY

With the Olympic games in the background, efforts have again been revived to provide the much-discussed television service which will provide at least three clear channel stations to viewers in the Truckee and Lake Tahoe areas.

Ed Bean, manager of the telephone company who has spearheaded the project, announces a meeting will be held at the Community Center in Tahoe City Monday at 8 p. m. for a discussion of the program.

Attendance is requested from Truckee and Donner Lake as well as Tahoe and plans will be made to proceed immediately with the installation of the necessary equipment. Anyone interested is asked to attend.

BROWNIES RESUME

The Truckee Neighborhood Association of Girl Scouts announces that the Brownie troops will resume their meetings starting Tuesday, March 22. Mrs. William Randall will be in charge and the two troops will meet as before at the Veterans Memorial Building.

Committee Gives Financial Boost For Squaw Valley

\$991,000 Would Provide Land For Parking In New Park

The assembly ways and means committee has approved a \$991,000 appropriation in the state's proposed 1960-61 budget to convert the Squaw Valley Olympic facilities into a state park.

The funds okehed include \$225,300 to purchase about 30 acres of land for a parking lot from Wayne Poulsen, Squaw Valley land developer. An additional \$345,000 of the money would be used to pave and prepare the parking lot. Money to convert several buildings and facilities to permanent park use is included.

An additional \$271,000 for general operating expenses is awaiting committee approval.

Robert L. Harkness, assistant state finance director, successfully appealed for the money.

"We're in it and we can't let go now," Harkness said in answer to some complaints from committee members about the cost of the operation.

Charles DeTurk, director of the state division of beaches and parks, said he believes a "real good job" can be done in recreational development.

DeTurk told the committee it may be possible to operate the facilities for \$140,000 a year above revenues taken in.

This he said, would make the park 75 to 80 per cent self supporting compared to 19 per cent for most state parks.

The committee got a preview of what may be expected by studying an audit of the operations of the Winter Olympic Games.

Harkness said revenues totaled only about \$1,800,000 compared to the anticipated \$3,000,000. He stated, however, this \$3,000,000 figure was about \$200,000 more than actual expenses and the state "may come out on an even keel" when the \$1,000,000 "cushion" fund voted early in February is used to pay bills.

Dr. Tapia To Head Local PTA Group

Dr. H. P. Tapia was elected president of the P. T. A. for the Truckee Elementary School at the March 14 meeting, to preside during the 1960-1961 school year.

Mrs. Fosten Wilson will hold the office of vice president; Mrs. Eleanor Capel, secretary; Lorin Ferdinand, treasurer; Mrs. James Walker, historian; Mrs. Ray Hintz, parliamentarian; Mrs. M. C. King, membership chairman.

Installation of the new officers and observation of Founders Day will be included in the April meeting of the group.

An informative moving picture program concluded the evening.

DEPUTIES LEARNING JUDO AT CLASSES

If the sheriff's deputies in Nevada and Placer counties or members of the Truckee squad of the California Highway Patrol start tossing crime suspects around and about it may not be surprising.

Under the tutelage of Dr. H. D. Tapia classes in judo are being conducted for the officers free of charge at the high school each Tuesday and Friday evening. Dr. Tapia is a proficient instructor in the not-so-gentle art and hopes that after the officers are well on the way to grasping the fine points of judo, he hopes to start another class for others interested.

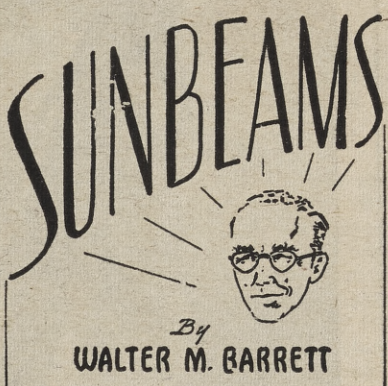

More than a dozen officers are now taking instructions and the class may be swelled to 20.

EDMUNDS SELECTED ON NEW GRAND JURY

Cecil Edmunds of Truckee is the only member of the newly empaneled Nevada County Grand Jury from this end of the county.

The new grand jury was named this week by Superior Judge Vernon Stoll who drew the 19 names from the 28 summoned. Larry B. Quimby of Nevada City was named foreman of the seven-women, 12-man grand jury.

An organizational meeting will be held at the pleasure of the foreman and committees will be selected at that time.

We wonder if adequate steps are being taken by the people of this region, as well as California as a whole, to protect the water resources in this area for the district and the people of California. Already most of the water originating in California is controlled by Nevada interests and while we believe they are entitled to what they need now, we believe more firmly that the future of this part of California is entirely dependent upon water, and that steps must be taken to see to it that these rights are amply and fully protected. Resolutions have been adopted by a number of public bodies including the Nevada County Board of Supervisors, the Truckee Public Utility District, the Truckee Donner Chamber of Commerce and the Truckee Outdoor Sportsmen, calling upon the California-Nevada Interstate Compact Commission to protect California's interest in California's water and we hope these resolutions will be followed up with concrete action. The future of this entire region is more or less dependent upon the action taken by the commission and the state and federal government. Once an agreement has been reached it will be difficult to change and the time for action is before any action is taken which will permit further encroachment on the natural resources by outside interests. We believe the California commissioners are fully aware of the problems facing them, but concerted as well as individual action, will assist these men materially in the decision they must finally reach.

Airport Directors Will Be Elected At Polls On Tuesday

Four Incumbents Seeking Reelection In Area On Tuesday

Four of the five candidates up for election to the board of directors of the Truckee Tahoe Airport District are incumbents who have served since the organization of the district and the fifth is John E. Houlgate, official for the Cements Rock Products and a licensed pilot.

The election will be held at five consolidated precincts of the district next Tuesday between the hours of 9 a. m. and 6 p. m.

Incumbent candidates are Lee H. Apple, Rex E. Reid, Zeph D. Rose and Fred M. Schultz.

Polling places have been designated as follows: Kings Beach school house, Tahoe Lake school house, Truckee elementary school, Floriston post office and Donner Trail school house.

Serving on the board at Kings Beach will be Helen Stokes, Unadell Crawford, Marilyn Fugazi and Zella Harris.

At Tahoe City, Bernadette Bechtoldt, Betty Ann Starratt, Anna M. Martin and Rebecca M. Shontz.

At Truckee, Lucille Bick, Winifred Edmunds, Anita Ellison and Jesse A. Hellar.

At Soda Springs, Dorothy F. Bacon, Adelaine Westlake, Betty Aro and Betty Board.

At Floriston, Lillian L. Miller, Ruth Helman, Margaret E. Craig and Lillian L. Funk.

Traffic Continues To Show Increase

Traffic into California over Highway 40 hit the year's lowest mark during February with 27,692 cars, 3,403 trucks and 722 buses being checked at the local quarantine station, but it was still nearly 6,000 cars over the February 1959 mark.

The monthly report from the department of agriculture showed that the Truckee station was in a strong fourth place as a port of entry into the state, exceeded only by Blythe, Yermo and Winterhaven.

The February count was some 4,000 cars below the January figure, the report shows.

At Meyers on Highway 50 last month 6,337 cars, 525 trucks and 42 buses were checked, a slight loss over the February, 1959 report and approximately the same number as were checked during January this year.

SACRAMENTO—(CNS)—Traffic passing California's border checking stations during February totaled 696,412 passengers in 247,246 automobiles and 3,413 buses, the Department of Agriculture reported.

This compared with 639,550 persons passing the quarantine stations in 226,927 automobiles during February, 1959.

Passengers entering California at the Truckee station totaled 91,923, as compared to 71,176 a year ago, indicating the impact of the Winter Olympic Games held at nearby Squaw Valley.

OBSERVE BIRTHDAYS DURING PAST WEEK

Today, St. Patrick's Day, is the birth date of Mrs. Joe Mattos and Mrs. Cecil Edmunds who are observing the events with their respective families.

A skating party at Blythe Arena marked the March 11 birth date of Marcia Leamon, followed by luncheon and decorated cake at the home of the honoree's parents, Mr. and Mrs. Robert Leamon at Gateway Park.

Another skating party in the arena was enjoyed March 8, honoring Carla Baxter, daughter of Mr. and Mrs. Warren Baxter of Kings Beach, the occasion being her birthday anniversary.

Mrs. William Fordham was also a March celebrant, her birth date occurring early this month.

Vets' Officer Here

The Nevada County Veteran's service officer will be in Truckee March 18, between the hours of 10 a. m. and 3 p. m. Anyone desiring to avail themselves of these services may do so at the office of Judge Posten W. Wilson, justice court, during the hours indicated.

Varien Frey Wins Speakers Contest In Zone Meeting

Varien Frey, daughter of Mrs. Muriel Frey of Truckee, won first place in the Lions Club speakers contest, zone division, at the El Cortez Hotel Tuesday evening.

Kaytie Corbin, daughter of Superintendent and Mrs. John Corbin, won a second place award, as did Richard Pollman and Larry Struve of Reno High School.

The Reno High boys, skilled speakers both, were tough competition as both had won many honors previously. Coach Roger Joseph is well known as a developer of champion speakers.

The topic for this year's Lions Club speakers contest is "People to People—Key to World Understanding."

Miss Frey, who also won the Truckee Lions Club first place two weeks ago, will go on to the regional contest, the date for which will be announced.

Miss Corbin also won first place at the Tahoe Lions Club last week, where Albert Eberhart placed second; an honor he also won at the Truckee Lions Club on March 1.

Mrs. E. Stewart, dean of girls at Truckee High, has been coaching these students.

Mrs. Greenhouse Expires At Fresno

Funeral services were held yesterday in Fresno for Mrs. Anna Greenhouse, 68, of Truckee, who expired Monday night in a Fresno hospital following a long illness.

Mrs. Greenhouse, a resident of Meadow Park for the past 14 years had been visiting a daughter, Mrs. Pearl Lowell of Fresno when she was stricken seriously ill Sunday and hospitalized.

A native of Michigan, the deceased had lived in California for 38 years. She was a member of the Brethren Church of Sacramento, the Anglo-Saxon Federation of America and the United Israel World Foundation.

Besides Mrs. Lowell, she is survived by her husband, P. H. Greenhouse, a retired S. P. employee of Truckee; two other daughters, Mrs. Rosalie Rogers and Mrs. Peggy McLeod of Sacramento; three brothers, Jacob, Thomas and Garret Van Den Bosch of Michigan; three grandchildren and two great grandchildren.

DAVIN IS SLATED TO HEAD ELKS LODGE

Election of officers for the North Tahoe Sierra Lodge B. P. O. E. No. 2140 will be held in the lodge hall at Tahoe Vista, Wednesday, March 23. At this time more than 15 new members will be initiated by Richard Brennan, exalted ruler.

Paul Bergman, vice president of Nevada City, was an official visitor at the formal opening meeting held Wednesday, March 9 in the new lodge hall, also attending were members of Auburn Lodge, No. 1694.

Nomination of officers for the coming year were made with the following list proposed: Roger Davin, exalted ruler; Thomas Sheehan, leading knight; Lloyd Everett, loyal knight; Harry McIntire, lecturing knight; Al Browning, secretary; Allan Calhoun, treasurer; Tony Donadio, tiler; Gene Faulkner, trustee.

MANY PEOPLE VISIT SQUAW VALLEY PARK

Charles A. DeTurk, chief of the state division of beaches and parks, said 15,430 persons traveling in 3,400 autos and 54 buses last weekend visited Squaw Valley, site of the VIII Olympic Winter Games.

"For the four days comprising the last two weekends, approximately 32,430 persons visited the Squaw Valley area," DeTurk said.

GIRL SCOUTS HAVE INTERESTING EXHIBIT

Troop No. 132, Girl Scouts of Truckee have had an interesting display of their badges and crafts in The Toggery window for the past week, commemorating the 48th birth date of the Girl Scouts of America, March 12.

The honors for which the girls have worked and the knowledge required before they may be obtained are many and are a credit to the girls and their leaders.

Ten Escape Death As Flames Raze Truckee Dwelling

Youth Leads 7 Children To Safety After Kitchen Fire Starts

Ten people narrowly escaped serious injuries or death Monday night at 9:30 o'clock when the large two-story frame house owned by F. W. Wilson on West Main Street was consumed by a fast spreading fire.

The building was occupied by the William Barrett family and Mrs. Ione Fisher and her son, the latter two living in the upper portion of the house.

Two of the occupants of the house, 18-year-old Douglas Cardihan of Portola, who was baby sitting for the Barretts and the Barretts' youngest child, Cynthia, six months, were burned severely and Cynthia was taken to the Tahoe Forest Hospital with first degree burns on her face and hands. Cardihan was treated for second degree burns and shock.

The fire, according to Barrett, who was in Richmond at the time with his brother, Jack, en route to Kansas where his father was in critical condition following a heart attack, started in the kitchen.

Cardihan was attempting to kindle the fire in the kitchen stove with a can of oil when the latter caught fire. He attempted to throw the blazing can out the kitchen door but it was too hot and he dropped it. The flames quickly spread.

Cardihan quickly summoned the children and led them to safety. Kathy Barrett, 8, eldest of the five children in the family ran up the stairs and aroused Mrs. Fisher and her son who escaped in the nick of time.

Others in the flaming house included the three other Barrett children, Karen, 6, Debby, 4 and Rickey, 2, and Danny and Laura Hans, children of Mrs. Loretta Hans of Portola who was visiting her sister, Mrs. Barrett. The latter was working as a waitress at the St. Louis Cafe when the fire broke out. She immediately called her husband at Richmond and he returned home.

Although the building was insured by the owner, no insurance was carried on the contents and nothing was saved, the children and Mrs. Fisher barely escaping in their night clothes.

The Truckee Volunteer Fire Department responded and prevented the fire from spreading to other dwellings close to the demolished house.

Friends of the family are urging anyone with used or unwanted clothing to contact the Barretts who are sorely in want of everything a family needs, their entire belongings having been completely destroyed.

MRS. PEDLEY ENJOYS NOVEL AIR FLIGHT

Mrs. Fred Pedley, Truckee, who is chairman of public relations for the California Women's Clubs was one of 13 prominent club women to attend an "Operation Understanding" trip, their host was Brigadier General Andrew Lolli, commander of the San Francisco Travis Army Air Defense.

The group left San Francisco International Airport Tuesday morning, March 8, arriving in the afternoon at the Army Air Defense Command Center at Ft. Bliss, Texas.

The ladies received a briefing on the Army air defense operation and will travel to the nearby McGregor firing range, New Mexico, to watch missilemen from Bay Area Nike Ajax and Hercules guided missile sites fire their annual service practice. Units firing are the Lake Chabot, Rocky Ridge and Tilden Park Nike sites (all near Berkeley, California), and the Pacifica Nike site (slightly south of San Francisco).

Thursday the group flew to Colorado Springs to visit the headquarters of the North American and U. S. Army Air Defense Commands, returning to San Francisco late Friday.

BOYS ARE WARNED TO REGISTER AT 18

Many young men in this area have apparently forgotten that the Universal Military and Training Service law requires all males to register with selective service on their 18th birthday or within five days thereafter. A number of young men are registering late, which is in violation of the law. Walter Barrett at the Sierra Sun office is a registrar for the Nevada City board.

Receives Cards

C. E. (Huey) Smith received so many kind messages of congratulation following the story of his 88th birth date in the March 3 issue of the Sierra Sun that he remarked that it pays to advertise.

Smith is very appreciative for the remembrances from his friends and neighbors and takes this means of thanking them for their thoughtfulness.

**TAX LEVY IS HIGH IN
COUNTY REPORT SAYS**

Total taxes levied on property
in Nevada County by all local gov-
ernments reached \$2,182,849 for
1959-60, California Taxpayers' As-
sociation reported today. This
represents an increase of 45.7 per
cent during the last five years and
stresses the steady increase in the

proud. These two clubs are be-
coming closer. Many meetings are
being held with both clubs partici-
pating as a wonderful show of
friendship.

GREAT NIGHT
A wonderful buffet and dance
was given by the Crystal Bay Club
for the Shrine Club to aid the chil-
dren of the Shrine Hospital. Lots
of entertainment which lasted
until the wee hours of the morn-
ing. Congratulations to the Cryst-
al Bay hosts, for a wonderful even-
ing.

VACATIONING
Carl and Bonnie Long have
been on a trip to Texas to see their
boys and to take care of some busi-
ness. They will be back this next
week bringing back their younger
son, Ronnie.

CARD PARTY
The annual Lake Tahoe Lions
Club's card party will be held
Tuesday, March 22 at 8 p. m. at
Ziegler's Restaurant at Kings
Beach and the public is invited.
Tickets, which will sell for \$1 are
available at either Ziegler's or at
the Brockway Bakery. Refresh-
ments will be served. Conrad
Wainscoat is chairman of the com-
mittee in charge and promises a
good time for all attending.

DONNER SUMMIT NEWS

By DONNA I. POWER

UTILITY DISTRICT ELECTION

On March 2, the closing date for filing for election to the Donner Summit Public Utility District board of directors, incumbent directors Harry Pratt and Bill Cannon were the only filers and will succeed themselves. The election date was set for May 2 and will be cancelled and the election proclaimed by action of the board of supervisors thus saving the district treasury between \$500 and \$600. The term of board chairman Max Williamson is not yet concluded.

KIDS HOME

James Simmons and his wife, Toddy, journeyed to Auburn Sunday where they met friends who were bringing their two young daughters home from a two week visit in Berkeley with the John Clark family. It became necessary for the Simmons children to make the visit when their mother injured her back while skiing. Mrs. Simmons is recovering satisfactorily following three weeks just past spent in bed. Now she is able to be on her feet for short periods

with the aid of a brace.

CATECHISM CLASS

To begin again soon at the Donner Summit Lodge are the Catechism classes which were discontinued because of the heavy snow fall during the months of the winter.

RUT RUNNERS

Rut runners is the name given to a group of promising racers of the Soda Springs area who are training under the direction of Russ Coffee of Sacramento. The racing team plans its first competition toward the end of March and hopes to be ready and take some top places.

GREETINGS

Our greetings to Randy Walker who has moved in order to take a position with a branch bank in San Jose.

BEE RACE

Riding with Mrs. Williamson and Mrs. Lyddane to attend the Bee race at Edelweiss ski area was a group of local young skiers who, in spite of the poor weather causing the course to be slow, finished in acceptable times. The only two girls were Pat Kelly and Barbara Lyddane who raced against each other finishing 3rd and 5th respectively. Young Bill Strickland finished 7th, Jay O'Rear finished 3rd, and Tommy Terkelsen finished 7th in his class. Sherman

KINDERGARTEN: We enjoyed the film on "Wild Life" which was shown by Mr. Roy Saarni of the

Williamson did not finish the race after he lost one ski in a fall.

SUMMIT SIT

Mrs. Mary Williamson was the hostess to the ladies of the Summit Sit in her Soda Springs home Wednesday, March 9. The ladies present were Kay Zoll, Mrs. "Grandma" Weiss, Dorothy Bacon, Joyce West and her mother-in-law, Mrs. West of Canada, Zona Madden, Francis Drago, Gloria Reed. Plans are not complete for the next meeting, however, it is expected to be held at Betty Board's Soda Springs home.

SQUARE DANCING

The Donner Summit square dancing group has decided to postpone their activities until the warmer weather of the approaching spring and summer season is here. This decision was made after considering the changing weather and the small number of couples which were able to participate.

Don't give fire a place to start!

U. S. Forest Service for Conservation Week.

FIRST GRADE: Catherine Craig, Nola Houlgate, Janet Corro, Donna Horman, Nancy Rablin, Debbie Jellin, Maria Acosta, Patsy Goldsmith, Joan Apple and Dennis Dent received 100 per cent in spelling this week.

Donna Horman brought some interesting science items for "show and tell."

FIRST AND SECOND GRADE: The past week we have been studying about conservation. Patricia Stone brought some conservation materials to share with the class. Good stories were written by LaVon Mayer, Darlene Androus, Kent Mullis and Virginia Strobel.

The first grade again won the spelling championship for the week.

THIRD GRADE: In our most recent arithmetic examination covering three place "borrowing" and "carrying" Brian Smart and Bruce Leamon made 100 per cent. Those who missed only one were: George Franceschini, David Goldsmith, Justus Spillner, Curtis Melugin, Michelle DeLisle, Terry Higgins, Tammie Richards and Maryann Atkinson.

Special reports on conservation were made by Jeff Jellin and

Terry Higgins.

Special science and social science reports have been made by Monte Neugebauer, Curt Wurst, Sandy Eckerman, Mary Lou Randall and Elizabeth Richards.

FOURTH GRADE: Our out-going officers are: president, Jenny Wilhelm; vice-president, Shirley David; secretary, John Clark. The new officers are president, Karel Lynn Sauby; vice-president, Barry Waters; secretary, Fred Wilhelm. Outstanding spellers since the February vacation are: John Clark, Diane Daly, Karel Lynn Sauby, Allison Spillner and Jill Wurst.

FOURTH AND FIFTH GRADE: Following had 100 per cent in spelling: Gail Englehart, Nicky Kenyon, Dennis Richards, Garee Lynn Stewart, Pam Horman, Judy Ingalls, Nancy Randol.

In social studies, 5th grade, Cam Houlgate, Garee Lynn Stewart and Cheri Comola earned "A's".

Art for conservation week found Bernard Stacy winning first prize with Cheri Comola and Nancy Randol the runners-up.

FIFTH GRADE: In order to step up its outside reading program the fifth grade is conducting a book report derby to see who the most productive readers in the fifth grade are. So far, some of the more prolific readers are: Terry Richards, Darlyn Doolittle, John Atkinson and Kathy Braasch.

EIGHTH GRADE: The 8th grade was split in two parts on Monday. Mr. Johansen has half eighth and half seventh; Mr. Licklider has eighth.

The Eighth Grade is going to have a dance on March 18. The name of it is going to be St. Patrick's Dance.

We elected officers last week, the officers are: president, Robby Kaspian; vice-president, Dianne Silverii; secretary, Deanna Ambler; treasurer, Bonnie Fair and sergeant at arms, Karey Kielhofer. These officers were picked from our political parties.

TAHOE LAKE SCHOOL

KINDERGARTEN: The kindergarten children are enjoying games in the auditorium, now available for primary physical

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

WHAT'S DOING

"Meet the New Chief Switchman." This is Gus Stromgren, the new Chief Switchman for the North Lake Tahoe Area. "Gus", who was recently transferred from San Jose will be in direct supervision over the Central Office forces. Gus has eighteen years service with the telephone company. He and his wife Shirley and their three children, Paul, Janet and Ralph will reside in Tahoe City.

Telephone men wearing headsets aren't too unusual a sight in our business. This man, for instance, makes final checks on newly installed phones to make sure they're ready to use. Also, from his special test desk he traces out trouble reports so repair men can get right on the job. You may never have occasion to see a deskman at work. But remember he's always ready to track down any sign of trouble on your line and help keep your telephone a service you can count on.

Birthdays, anniversaries, and other special occasions for family and friends seem always to be popping up. Much as we'd like to, we often can't be there in person to deliver best wishes. And that's when a long distance call can mean so much. If you've received a call on a special day from someone far away, you know what I mean. It's an exciting visit for everyone gathered round. The cost is low—even lower station-to-station and after 6 p.m. Next time, why not "be there" with a long distance telephone call. Pacific Telephone

DONNER DOINGS

By VIRGINIA O'BEAR

Mr. and Mrs. Bert Chandler and
daughters Karen and Kathy, came
up from Santa Rosa over the week-
end and spent some time at Squaw
Valley ice skating. The Chandlers
like the area up here and plan
another trip soon to look for a lot
at Donner Lake to build a sum-
mer home.

Charlie Clark with son Chuck
and daughter Carol were Donner

Tuesdays, 8 a. m., evening devo-
tions, 8 p. m.

Sunday Masses will be for re-
mainder of ski season:

Truckee, 9:30 a. m.; Tahoe City,
8 a. m.; Kings Beach, 11:30 a. m.;
Squaw Valley, 9:30 a. m. and 12
noon; Soda Springs, 8 a. m.

TRUCKEE BIBLE CHURCH

(Non denominational)

Rev. Roy S. Rhoades, Pastor
Sunday School, 9:45 a. m.
Morning worship 11 a. m.

It was no accident that the Lord
of glory was crucified between two
thieves on Calvary. Next Sunday
the pastor will deliver the second
message in the series on the last
seven words uttered by Christ on
the cross. The sermon title is
"Salvation."

CHRISTIAN SCIENCE

Meets at Wyethia Clubhouse,
Truckee.

Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
The power of faith, raised to
spiritual understanding, will be
emphasized at Christian Science
services Sunday.

Mark's account of the healing of
the epileptic boy will be read,
concluding with Christ Jesus' words
(9:29): "This kind can come forth
by nothing, but by prayer and
fasting." The subject of the Les-
son-Sermon is "Matter."

Selections from "Science and
Health with Key to Scriptures" by
Mary Baker Eddy will include
this (23:16): "Faith, if it be mere
belief, is as a pendulum swinging
between nothing and something,
having no fixity. Faith, advanced
to spiritual understanding, is the
evidence gained from Spirit, which
rebukes sin of every kind and
establishes the claims of God."

The Golden Text is from Colos-
sians (3:2): "Set your affection on
things above, not on things on the
earth."

visitors this week and plan to
move to Donner Lake in June
when the schools are out in Santa
Rosa. They have been frequent
visitors in this area and like our
summers and winters.

Mrs. Irwin Lund returned this
week after a two week stay in
Stockton where she took her son
Creighton for major surgery. Mrs.
Lund stayed with her mother, Mrs.
Gertrude Olson while Creighton
was hospitalized with a specialist
on hand during his serious opera-
tion. Creighton will return to
school next week as he is doing
fine now.

A meeting will be held at Arm-
strong Realty Saturday evening at
7:30 when members of the zoning
committee will get together on the
progress they have made. All in-
terested property owners at Don-
ner Lake are invited to attend this
meeting which will be strictly busi-
ness. A hearing will be sometime
in April concerning the zoning of
Donner Lake and the Nevada
County Planning Commission will
run the notice for two weeks an-
nouncing the date and place, in
the Sierra Sun.

On the 8th of April, the Tru-
ckee Outdoor Sportsmen will meet
and have as their guests, several
members from the Fish and Game
Commission. They will discuss
plans for the fish plant in Donner
Lake and I am sure that everyone
living at Donner Lake will want
to attend this meeting. The
meeting will be at 7:30 at the
Capitol Hall.

Donner Lake can well be proud
of the firemen in the Donner Lake

TAHOE WEATHER

TAHOE CITY—Seven and a half
inches of new snow fell at Tahoe
City Sunday to bring the total on
the ground Monday to 18 inches.
Precipitation totaled 1.79 inches as
a result of the storm. The tem-
perature here ranged from a low
of 17 on Monday to 46 Friday. All
gates into the Truckee river were
closed and the level of the lake
Monday stood at 6225.62 feet, sub-
ject to revision.

Volunteer Fire Department. Even
though the Sherman Green-home
was damaged by fire, it was saved
by the efficient firemen which pre-
vented a total loss. The firemen
are busy now with plans for the
Donner Lake Regatta which will
raise more funds to give them
much more needed equipment.
The Regatta will be July 10.

The Ladies Auxiliary of the Don-
ner Lake Volunteer Fire Depart-
ment will meet promptly at 7:30
at Smarts for dinner with the busi-
ness scheduled to begin at 8
o'clock. Plans for a box social and
queen coronation will be dis-
cussed and presiding over the
meeting will be Jean Walker, the
auxiliary's new president. Plan
to attend and take a friend, she
will enjoy it.

A very important meeting is
set for 7 o'clock at Donner Lake
Lodge this Sunday evening. Mem-
bers of Donner Lake Resorts will
meet to add the final touches to-
wards the Fish Derby to be held
from April 2 until May when the
streams are opened for fishing.
This derby promises to be very
exciting for young and old and
prizes will be awarded each week
and a grand prize for the largest
fish caught at the conclusion of
the derby. Everyone is invited to
attend this meeting, business
people as well as non-business
people and anyone can join Don-
ner Lake Resorts.

West Shore Notes

By NINA SLADE
Lambert 5-7751

P. O. Tahoma, Lake Tahoe

Tahoe history is found in many places and through many people. Mac MacLean of Arbutus Camp, Tahoma, brought in an old cash book kept meticulously by Ralph Colwell, early-day pioneer, who owned and built Moana Lodge, just south of Chambers Lodge. The cash book was dated 1913. One item which caught our nostalgic eye was: "A. Rasmussen: 2 drinks, 2 Durham, 30cents, 1 qt. whiskey, \$1.25." A battered copy of a July 10, 1910 Century magazine was found under the floorboards, with an old sign: "Stage for Placerville, 7:30 a. m." Mac dismantled the old lodge last fall and found the original hand-hewn timbers, 35 feet long, still in good shape.

Red Anderson writes that Hemet weather is warm and comfortable, the golf is good and he is enjoying a visit with his sister and brother-in-law, Mr. and Mrs. Frank Gunter of Montana.

Jack and Betty Starratt of Tahoe City flew to Las Vegas for a short vacation.

Louis Fellows of Carnelian Bay and Jimmy Heuga competed at Yosemite last week in ski events. Bobbie Heuga leaves Sunday for Europe and travel before entering the Sorbonne in the fall. Bobbie will stay with relatives of the Heugas in Paris.

Alice Ann Wirtz of Squaw Valley will join the Tahoe City Garage family to help Marie Henry in the office. Marie entertained her

nephew and his wife, Mr. and Mrs. Frank Henry of Alhambra, last week.

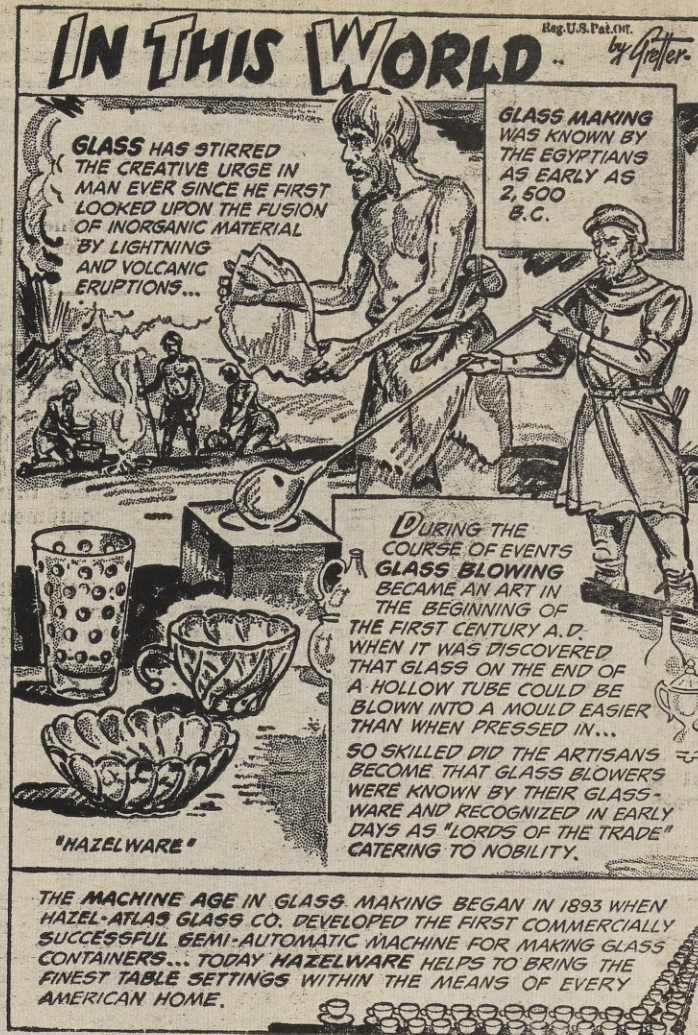

Chuck Neilson of the highway department spent some time at Tahoe Forest Hospital recently.

Carl Bechdolt, Sr., Ralph Bly, the Marshall Rukhalas, Steve Korich, Mr. and Mrs. Abner Rukhala of Rockland, Mr. and Mrs. Stanley Wright of Auburn, and the Bill Briners, lunched at Tahoe Tavern last Sunday and learned from the Abner Rukhalas of a plan to put Placer County on a charter form of government. The Abner Rukhalas served on the grand jury last year and seek two representatives from Kings Beach and Tahoe City to join a committee of 15 to draw up by-laws for a charter form and get the matter on the June primary ballot. Those interested can get details from the Rukhalas in Lake Forest.

Ernie Marier says organization is underway to have four Little League teams this season, Donner Lake, Tahoe City, Truckee and Kings Beach. Sponsors are needed for Donner, Truckee and Kings Beach. The Tahoe City Red Sox are sponsored by the Rotary Club. Contact Ernie Marier, JU 3-3988, or Ralph Bly, JU 3-3212 for information.

Many local residents are enjoying the skating at Blyth arena and last weekend the ice was full of frolicking, slipping, spinning, tumbling amateurs and experts. It's worth a trip to the valley to see the show. There's talk in Tahoe City of forming a skating club.

Through the efforts of Tahoe area businessmen, headed by Jack Starratt, we'll have one of the ice statues on the highway level of Tahoe Commons, when the

BILL BRINER SEEKS SUPERVISOR POST FOR TAHOE REGION

WILLIAM BRINER

William "Bill" Briner, Tahoe City business man, this week announced his candidacy for the office of supervisor in the 5th Placer County District, which contains the entire Foresthill, Iowa Hill Divides and the western portion of the Lake Tahoe area.

Briner has just completed a difficult and rewarding assignment as official photographer for the VIII Winter Olympics at Squaw Valley, which is situated inside his district. His appointment by the Olympic Organizing Committee is considered a great recognition for his business ability.

Having been in business in this area for the past ten years, following graduation from the University of Nevada with a major in business administration, Briner, 33, has adopted the theme, "A Successful Business Man for County Business."

"The problems facing the area, including those of the Placer County Water Agency and its negotiations and financing demand clear thinking with a long range goal. The rapid growth of the Lake Tahoe region, and the development of the two divides present a great challenge," he said.

Briner graduated from the Auburn schools, and entered the United States submarine service during World War II. On his return he enrolled at Sierra College for one year before transferring to Nevada. He is married and maintains his home at Tahoe City with his wife, Fritz, and their two sons, ages 1 and 4.

It is his desire to contact every voter in the large district he wishes to serve between now and the June 7 primary election.

TAHOE CITY—Mr. and Mrs. William Hunter of Tahoe Forest returned from San Jose where they went to help their daughter, Miss Mary Hunter celebrate her March 9 birth date. The latter is a student at San Jose State College.

sequently it is vital that aggressive and sensible representation be given in the State Senate."

Chilton, 39 year old Roseville resident, has a record of active political and governmental service. He is a Trustee of the Roseville Union High School; Chairman of the Roseville City Planning Commission; and 18-year veteran of the United States Naval Reserve.

ROSEVILLE MAN TO SEEK SENATE POST

FRANK CHILTON, JR.

Frank Chilton, Jr., Roseville-Lincoln area businessman, today announced he is seeking the Republican party nomination in this coming June primary election for the office of State Senator from the 7th District (Placer, Nevada and Sierra Counties).

Chilton made his declaration on the opening date for filing candidacy papers with the county clerk's office, saying:

"I sincerely believe that this district is destined to play an increasingly important role in the population boom of our area. Con-

year-pin by the Order of the Eastern Star. Mrs. Morrow was worthy matron of the Penryn chapter in 1922. We enjoyed seeing the mementoes and pictures Mr. Morrow has preserved of his 34 years in the Navy and his trip around the world in 1907-08 with the Great White Fleet.

education. Beverly Freeland, Arlene Orr, Joella Moe and Diane Schendler found the first signs of spring. They brought budding plants to school to share with the children. FIRST GRADE: Tahoe Lake first graders have started formal spelling.

On a 3 problem test on double digit addition, the following children did perfect star papers: Paul Corona, Steve Cross, Jackie Ghormley, Yvonne Baker, Bonnie Nyberg, Carl Ruhkala, Sherry Freeland, Jennine Michener, Tommy Coster and David Karcher.

SECOND GRADE: President for the week is Marta Morris, and the secretary is Sharon Christensen. All except six of the class made 100 per cent in their spelling lesson of the week.

SECOND AND THIRD GRADE: Class officers this week elected by the class and president, Garry Johnson; vice-president, Jimmy Collins; secretary, our new girl, Jo Ann Ives.

The second graders had a spelling test of 38 words and the following people made the grade of excellent: Peggy Hoff, Gordon Phillips, Scott Broomhall, Deborah Lawlor, Jo Ann Ives, Mark Rivard, Marianne Meisner and Gary Johnson.

FOURTH GRADE: The following children received "A's" in a spelling test covering twenty-four lessons: Breezie Cross, Tuck Rivard, Leah Howard, Denise Henriksen, Janet Jorgensen, Roxanne Anders, Vicki Broomhall, Barbara Ann Nielsen, Ann Starratt, Dianne McBride, Tom Easterly, Mary Tabor Griswold, Anna Marie Connors, Steven Shaw and Edward Scott.

FIFTH GRADE: The fifth grade started a class museum, representing the period of the beginning of the Westward Movement. A two-barrel flint lock of the late 80's was put on display by Dick Pomin, Paiute Snowshoes used in 1850 were displayed by Mike Grayson, and a heavy flat iron was shown by Scott Wall.

SIXTH GRADE: In a 147 word spelling test the only perfect papers were Karen McBride and Judy Ingram, however over 65 per cent of class scored over 90 per cent.

SEVENTH GRADE: A terrific set of English composition papers were recently done on the topic "What the Olympics Meant to Me." Some of the better papers were written by: Wendy Broomhall, Lisa Davis, Randa Fugere, Larry Ingram, Greg Moore, Jayne Shontz, Susan Stephani, Sherry Wall and

Linda Wolden.

The class has decided to gather news and edit a school newspaper. School and some local news will be carried.

EIGHTH GRADE: Our school had the pleasure of a visit from Mr. Anderson, our Forest Service representative, who presented a movie on wild life. It was introduced with a discussion on the meaning of "Conservation."

DONNER TRAIL SCHOOLS

PRIMARY NEWS: "Home is where I am when I am not anywhere else," was the undefined description of the word HOME given by a primary student in the Donner School as the class embarked on a discussion of "Home and Family" this week as part of their social studies curriculum.

UPPER GRADES: The upper grades have been working on stories about how the Olympics help us to get along better with people from other countries. Many interesting ideas were put into these papers.

KINGS BEACH SCHOOL

KINDERGARTEN: Our class has a new pet hamster named "Oyster." Christopher Grellman brought him to us from Reno.

Mike Rich brought the cage for the hamster.

We made books to send Mr. George Culver, our bus driver who is ill and in the hospital.

FIRST GRADE: We are studying about the post office. We saw a film, "How to Make a Post Office." Next Tuesday we are going to visit the post office. We have a new girl in our room. Her name is Wynn Manning.

THIRD GRADE: Our studies this week centered on "Conservation." We welcomed a new girl who was born and attended school in Augsburg, Germany. She is Eleanor Astle, daughter of Richard and Katharina Astle.

We also welcomed a new boy from Reno, Charles Lambert. Charles brings our numbers up to the magic "30."

SIXTH GRADE: Mr. Anderson, our sixth grade teacher, is sick. We have a substitute teacher. Her name is Mrs. Price.

Perfect papers in spelling for lesson 22 were John French, Linda Gerlits, Howard Price, Jill Robert and Bruce Templeton.

SEVENTH GRADE: The first week after our vacation has gotten off to a fine start. Every student

has done work in their spellers. Amy Arndt, Ronnie Baker, Nancy Jo Bervid, Wendy Boatman, Chuck Carpenter, Marlea Draney, Gail Fitzgerald, Barbara Hampton, Bob Holley, Estelle Howell, Leta Laborde, Celeste De Sylva, Marie Wainscoat and Bob Wells. Wayne Mandeville and Ronnie Baker have given our new Spanish activity a wonderful start by leading the class in a game of locating things in our room. Our class officers are: president,

George Gaswint; vice-president, Bob Wells; secretary, Wendy Boatman; treasurer, Art Waddell.

EIGHTH GRADE: In civics we just finished city government and are now ready for California State Government. The top students were: Rene Robert and Kathy Ploof.

In math the top student thus far is Judy French and in English Rene Robert and Judy French are running for top position.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) — A move on the part of two state senators in connection with the development of California's beaches and parks may result in some improvements in making the vast holdings of the state available for more usage by the public.

Senators Donald R. Grunsky, (R-Santa Cruz County) and John Murdy, (R-Orange County) have proposed and found some support on the part of state officials for the development of park facilities by private capital.

They are co-authors of a senate concurrent resolution requesting the division of beaches and parks to consider the private capital method of making more facilities available to the public, and DeWitt Nelson, director of natural resources, has stated, the two senators said, that he not only endorses the principle, for development of certain state parks, but recommends it.

The Murdy-Grunsky plan is to let private capital finance the expensive developments in state parks, and to use the savings for the acquisition of more land for

park purposes.

The state park commission has also recommended a policy of using private capital, attracted by long-term leasehold agreements, to develop facilities in certain state parks.

The commission, in fact, uses the plan in some of its parks at the present time, notably where concessions are leased to private enterprise. Restrictions imposed by the leases protect the public from gouging, and similar restrictions, the senators point out, could be imposed in any long-term lease issued to assure the people of the state they will not be paying more than the going rate for use of the facilities.

However, no private capital has yet been induced to complete any major projects in state parks, such as hotels or motor lodges in new construction. This is the type of development that the senators had in mind when they proposed the operation.

Use of state park facilities is growing by leaps and bounds, according to figures issued by Charles deTurk, chief of the division. He says that in 1959, more than 22 million persons visited the

state operated parks, beaches and historical monuments. The division, of course, counts every individual who crosses a park line as a visitor, but the eleven per cent gain in attendance is a cogent argument for the development of additional facilities in the parks.

Because of the decrease in revenue from tide-land oil royalties, the state is cramped in providing facilities itself. The more money spent on facility development, such as camping sites, the less money available for new acquisitions, which the division says is necessary to meet the mounting population of California and the growing use of the park and beach areas by the public.

In 1956, there were only half as many persons visiting the state parks and beaches as there were in 1959. Thus, in four years, the division indicates the usage has doubled. It is also well known that many people who would have liked to use camping facilities have not been able to find a spot.

Girls Again Win In Sky Tavern Skiing

By CRAIG BECK

Tahoe Truckee High School took the California-Nevada Girls' Alpine Championship for the second successive year, at the Sky Tavern, last Saturday.

This meet consists of a slalom and a giant slalom. Each school competing has a team of four racers. The three best times are totaled for each team so that a single racer's error is not necessarily fatal for her team.

The four schools participating were: El Dorado Union High School, Manogue High School, South Tahoe High School, and Tahoe Truckee High.

TNT went the Alpine events last year, and went into this match as the defending champions. Two girls from this year's team, Sherry Thatcher and Patti Lewis, are veterans of last year's meet. Also on the team were Linda Giovannoni and Valerie Mandeville.

Sandy Fellows, a member of the TNT team who was also scheduled for this meet, had injured her leg in gym and was absent.

Patti Lewis, while making her first run down the slalom, missed a gate and had to side-step back up to it. In spite of this, she regained enough speed to take fourth place.

TNT's Sherry Thatcher placed first, Patti Lewis sixth, Valerie Mandeville eighth, and Linda Giovannoni fourteenth. In this event, Truckee came in just 6.1 points behind South Tahoe. However, due to Truckee's great lead in the slalom, they were able to take the championship with points to spare.

The final scores were: first place, Tahoe Truckee; second, South Tahoe; third, El Dorado; and fourth, Manogue.

Two more meets will be held for the boys' team: the Nordic Combined, on Saturday, March 19, and the Boys' Four-way championship, March 25 and 26.

Coach Goodrich said that if the boys have the spirit shown by the girls, they should have a good chance of winning the championship in both events.

NEW CHARTER GOES TO TRUCKEE LODGE

William Davis, noble grand of Donner Lodge No. 162, I. O. O. F., will be presented, in behalf of the lodge, with a new charter March 22 by Donald R. Smith, district past grand master of the grand lodge of California. The Tuesday evening meeting will convene at 7:30 in the local lodge hall.

Emil Stroud, district deputy grand master of Grass Valley has also been asked to be a guest of honor and brothers of two Reno lodges as well as other visiting members and the Naomi Rebekah Lodge No. 2 are being cordially invited to attend the important ceremony. The latter group will serve refreshments after the meeting.

California Farmers, Inc., with headquarters at Saratoga, was organized in 1946.

CLOTHING COLLECTED BY LOCAL STUDENTS

Students of Tahoe Truckee School will bring the Save the Children Federation Bundle Day clothing collection program to a close on Friday of this week.

Responding to the urgent needs of children at home and overseas, faculty and student leaders have asked parents and friends to join with them and Save the Children Federation in this 18th annual nationwide humanitarian project of children helping children.

"The enthusiasm of our students is inspiring," states C. W. Sciutto, principal, "and I strongly urge everyone to empty clothing storage areas of good, used garments and, through their supporting cooperation, help bring the total collection to a grand high point."

Donated clothing should be sent to school this week by students or brought to school directly in bags or cartons.

Blankets and sheets, in addition to good, used winter and summer garments for children, babies and adults are urgently requested. Low-heeled shoes and overshoes are especially needed.

Each year thousands of children are enabled to attend school in the Southern Mountains by the distribution of clothing through SCF Clothing Centers where clothing is made available at very low prices to a poor but proud people who prefer not to accept free clothing. However, to those who cannot afford to pay, clothing is also made available without charge through county welfare and attendance officers.

In addition to its use in the southern mountains, clothing is stockpiled for free distribution to victims of disaster at home and overseas. In years past, SCF has rushed clothing to stricken areas in the United States, Algeria, Austria, Finland, Germany, France, Haiti, Israel, Italy, Korea and Mexico.

WATER COMMISSION MEETING IN CAPITAL

SACRAMENTO — The future water needs of the Lake Tahoe Basin will be the main topic of discussion this week when the Joint California-Nevada Interstate Compact Commission meets Thursday and Friday, March 17 and 18, here in Sacramento.

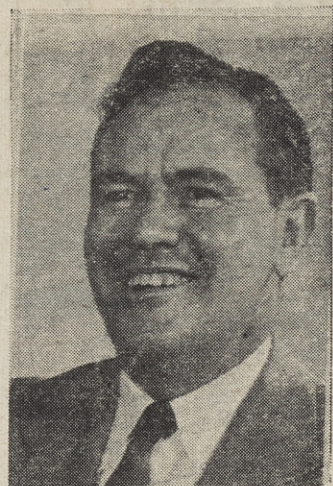

The first day's meeting will start at 10 a. m. in Room 102 of the State Professional and Vocational Standards Building, 1020 N Street. The Friday meeting is slated for 9:30 a. m. in the basement board room of the Public Works Building at 1120 N Street.

A report by the Commission's Lake Tahoe Water Problems Committee will form the basis for discussion of the water requirements in the Tahoe area, and proposed split between the two states.

The Joint Commission is composed of representatives of California and Nevada, who are negotiating an agreement for future allocation of the waters of the Truckee, Carson, and Walker River systems. This is the 21st meeting of the group.

BE CAREFUL WITH FIRE

CAMERON WILL ASK FOR REELECTION AT POLLS ON JUNE 7TH

RONALD G. CAMERON

AUBURN — Senator Ronald G. Cameron (D-Auburn) announced today that he will seek re-election to his 7th Senatorial District seat. The 7th District comprises Placer, Nevada and Sierra counties. He stated that he is today filing his nomination papers.

Cameron is a member of the senate committees on fish & game, natural resources, military and veterans affairs, and institutions. He is also a member of the senate interim committees on judiciary and natural resources. In the special legislative session called on Squaw Valley, he sponsored and led the fight for the emergency appropriation.

Cameron was first elected to the Senate in a special election in April, 1959. The election was called to fill the vacancy created when Harold T. "Bizz" Johnson was elected to Congress.

35 CENT TAX RATE FOR SIERRA COLLEGE

Sierra Junior College District may anticipate a 35 cent tax rate on the \$100 of assessed valuation, plus 1 cent for retirement, District Superintendent Harold M. Weaver informed the governing board in discussing a tentative budget for 1960-61.

He said the preliminary budget should contain a \$200,000 reserve, part of which has already been accumulated, for building funds to augment the \$3,040,000 bond issue voted in 1957.

This reserve would enable the gymnasium on the new campus to be completed, and add some other things to contracts already let.

The board authorized tightening up of requirements for inter-district transfer of students, effective for 1960-1961, and will base them in the future only on grounds of hardship or inability of the local college to meet requirements of students because courses are not offered at Sierra.

The board also endorsed in principle the California master plan for higher education, and instructed Weaver to notify Senator Ron Cameron and Assemblyman Paul J. Lunardi of the endorsement.

S. M. Barooshian, social science and history instructor, whose resignation effective next June was accepted, was voted emeritus status, the first to be conferred upon any faculty member.

DISPLAYS SHOWN ON SCOUT ANNIVERSARY

Brownies and Girl Scouts all over the country were observing Girl Scout week March through March 12. March 12 marked the 48th anniversary of the founding of Girl Scouts by Juliet Love.

Brownies and Girl Scouts Lone Troop No. 1 of the Kings Beach area observed the week with displays showing various phases of Brownies and Girl Scout work.

It is hoped that people in the area took the opportunity to view these window displays in the Kings Beach Variety Store and Town and Country Variety and see the many worthwhile projects, under the direction of their leaders these girls have undertaken during the year.

APRIL 1 IS FINAL DAY TO SIGN FOR OFFICES

Prospective candidates for public office have less time than contemplated to make up their minds and file their official intentions.

Nevada County Clerk John T. Trauner said that a change in the filing law by the last session of the state legislature, placed the closing date for filing at April 1 instead of April 8 as formerly stated.

This was done by placing 65 days between filing date and the actual election.

The "Welcome Stranger," largest gold nugget in the world, weighing 150 pounds and was found in Australia during the 1851 gold rush.

CARD OF THANKS

We sincerely thank the members of the Truckee Volunteer Fire Department and other volunteers at the fire Monday who saved our home from what seemed certain destruction.

Mr. and Mrs. A. E. Burlingham

SIXTH REORGANIZING MEET OF 20-30 HELD

The sixth reorganizing meeting of the Truckee 20-30 Club was held at the Donner Hotel last Wednesday night with young men of Truckee and Governors Martin J. Galantuomi and Bill Royle attending from Reno.

The meeting was presided over by Governor Royle with business confined to contacting all eligible young business and professional men between the ages of 20 and 35. Its objectives are service to the community and the development of young business and professional leaders.

Leon Hutchins is reorganizing chairman for the Truckee Club. Any young man wishing to join may contact him at home or Truckee Mercantile or Les Lazzari at the Donner Hotel.

In the interest of prospective members meetings have been changed to Monday nights at 7:30 p. m. at Donner Hotel beginning on March 14. The Reno Club will visit on March 21 to assist in the reorganizing procedures.

Governor Martin showed the 1959 colored World Series movies and will have a program for the March 21 meeting. Members of Reno attending were Gerry Patterson, secretary and Dick Lamson, first vice president.

ASSEMBLY APPROVES SQUAW VALLEY PARK

SACRAMENTO — Rejecting demands that the State get out of Squaw Valley altogether the Assembly voted to restore the State's rights to acquire land at the Winter Olympics site by condemnation, the Associated Press reported.

The 60-10 vote sends the measure to the Senate.

"I think we should get what we can and get out of there," said Samuel R. Geddes, opposing the bill.

Geddes, an outspoken critic of the handling of the Olympics, said "we were sold a loaded gun. We thought the gun was empty, but it was loaded."

"Don't be trapped into buying another loaded gun here boys," he cautioned.

Assemblyman Jesse M. Unruh, argued that his bill would restore to the Division of Beaches and Parks the power it had before 1955 and the power it needs to build a State park.

The State has spent some \$1 million at the valley on the understanding it would become a State park after the Olympics. The State already is operating some of the valley facilities.

TWO-MAN PATROLS AT NIGHT FOR CHP

Following an order from Highway Patrol Commission Bradford Crittenden, two-man patrols are being maintained after dark throughout this as well as other parts of the state. Sergeant Frank Snyder said he had ordered that there be no more one-man night patrols and that while the coverage may be cut down, safety of the men working will be assured.

WEINANDS AWARDED CERTIFICATE BY CPA

Mr. and Mrs. Hugh Weinand was awarded a certificate by the United States Air Force this past week on completion of a course in Civil Air Patrol. This course was completed at the Mission Commanders School in Reno at the Army Reserve Center. The purpose of this course was to teach search and rescue technique to cadets and all interested persons.

The next meeting scheduled will be on March 19 at 1 p. m. at the Veterans Memorial Hall in Truckee. At that time, Major Hine and Captain Freshwater from Rescue, Coordination Center Headquarters, 4th Air Force from Hamilton Field, will be on hand with important information on Civil Air Patrol.

They will tell about the thrill of riding a sleek, shining air force jet through the clear blue of the sub-stratosphere, an all expense trip to Europe, the Near East, South America, Hawaii, Alaska and Puerto Rico. Training in aeronautical subjects such as communications, navigation, meteorology, theory of flight and aircraft engines. Regular orientation flights in United States Air Force and modern civilian planes.

VETERANS MAY FILE FOR TAX EXEMPTION

Monday, March 7 was the opening of the period in which veterans may file with the county assessor, Charles Kitts, for the \$1,000 property tax exemption, it was pointed out today by County Service Officer H. E. Nolen.

California grants \$1,000 tax exemption to resident veterans, including women veterans and deceased veterans widows. Such veterans must have served during specified wars or campaigns. Eligibility is to veterans who do not own property with an assessed value of \$5,000 or more, or under the community property law, the veteran and his wife together do not own property with assessed value exceeding \$10,000 otherwise eligibility for exemptions ceases. In determining the net worth it must be remembered that stocks, bonds, or savings accounts, must be declared before eligibility can be determined.

These items, although not taxable, might very easily cause the veteran to become not eligible for tax exemption. A short example, for a single veteran. He has real property which is assessed at \$3,000, and he has a savings account of \$2,001, making his net worth \$5,001. Under present laws the veteran in this case is not eligible for tax exemption.

Attend Dance

Hap Warnke, chief of the Donner Lake Volunteer Fire Department, is urging all members of that group to attend the dance and program sponsored by the Tahoe City Volunteer Department at Tahoe Inn Saturday, March 19. The affair promises to be one of the biggest ever held by the Tahoe firemen and an invitation has gone out to everyone to attend.

INSURANCE COMPANY TO REDUCE CAR RATE

The nation's largest auto insurer will cut \$2,500,000 from its California policyholders' 1960 premium bill, it was announced today.

Lauren Russell, local agent for State Farm Mutual Automobile Insurance Company, said the savings will result from rate reductions for many motorists, pyramided discounts and a new driver classification plan.

More than half of State Farm's 640,000 policyholders in the state will qualify for lower rates, Russell said. Although 18 per cent will pay the same rates and about 28 per cent will pay higher rates,

the net result will be an estimated \$2,500,000 reduction in State Farm's 1960 premium total in California.

Biggest rate cuts will go to motorists whose cars have no single male drivers under 25, who don't use their cars for business and who don't drive far to work. State Farm's second car discount of 25 per cent will be awarded on top of the 10 per cent compact car discount. Formerly, either of the discounts, but not both, were allowed. The second car discount of 25 per cent, which has been limited to the liability coverages, is being extended to the collision coverage.

FRED! DID YOU TELL ARCHIE HE COULD TAKE A CORRESPONDENCE COURSE?

YES! I THINK IT'S VERY COMMENDABLE TO WANT TO STUDY A SPANISH COURSE!

BUT IT'S NOT THE SPANISH LANGUAGE!

IT ISN'T? WHAT'S HE LEARNING?

BULLFIGHTING!

BUT, ARCHIE! A CORRESPONDENCE COURSE IN BULLFIGHTING IS RIDICULOUS!

POP! DO YOU WANT TO MAKE ME A TEEN-AGE CONFORMIST?

WHAT'S THAT??

THE BULL!

THIS FIRST STEP IS CALLED A "VERONICA!"

OH, YOU DEAR!

OLE! OLE!

NEXT IS CALLED "THE MOMENT OF TRUTH!"

COME IN AND MEET MY FRIEND CHARLOTTE
FROM CALIFORNIA, PENNY
AND PAT.

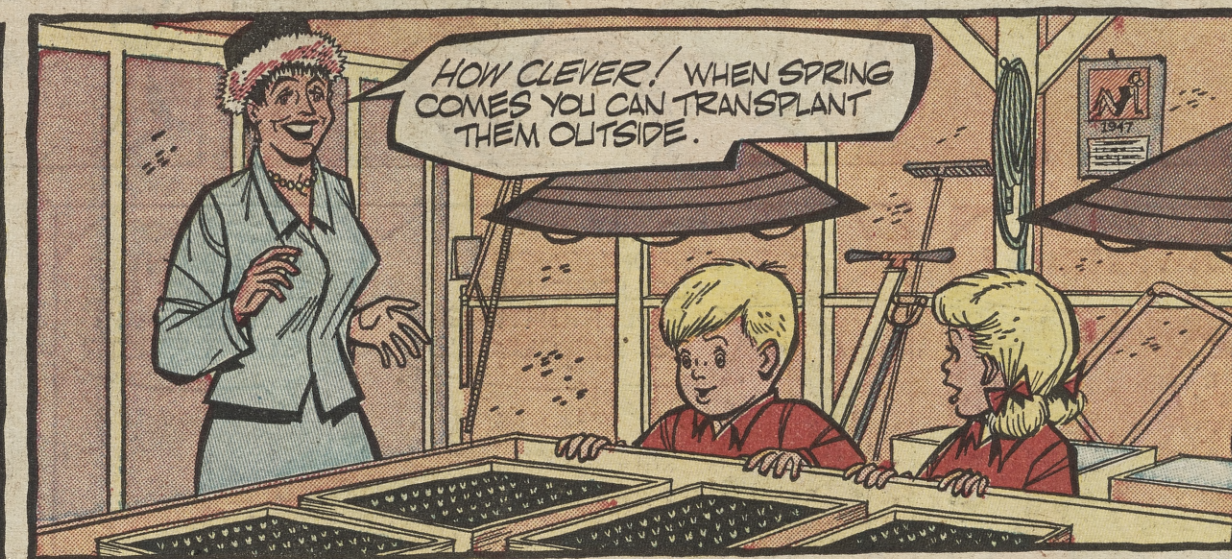

SO THESE ARE YOUR LOVELY
TWIN, JANE—HOW
I ENVY YOU!

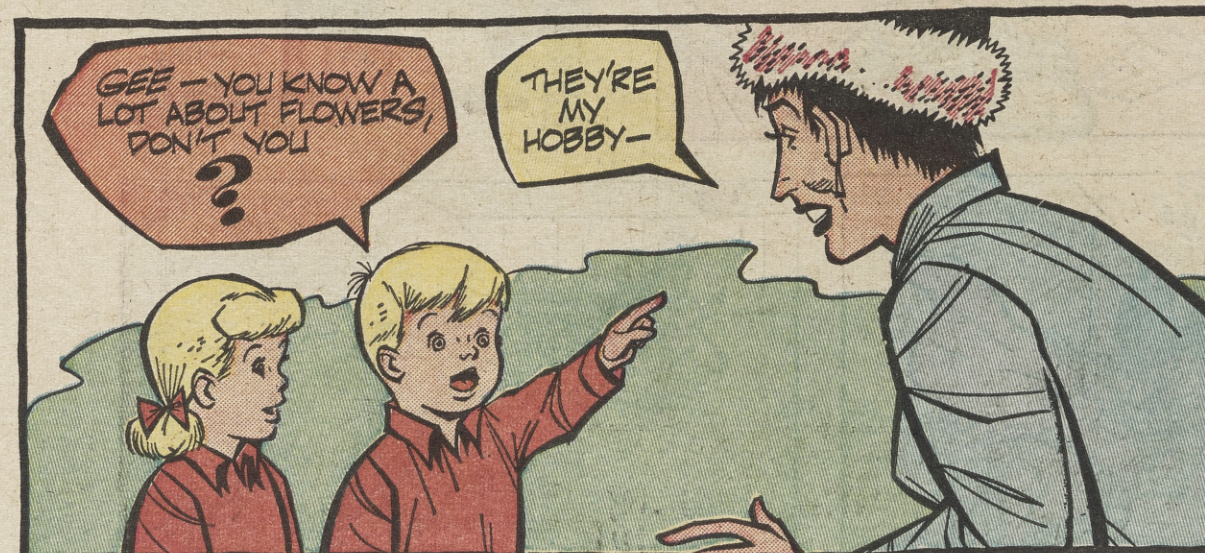

I HEAR YOU PLANTED
SOME SPRING FLOWERS
WITH YOUR DADDY.

WE STARTED THE
SEEDS IN DADDY'S
NEW HEAT HOUSE.

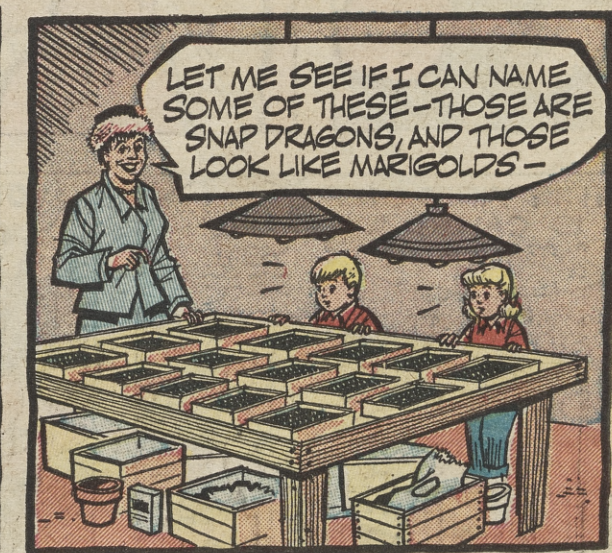

HOW CLEVER! WHEN SPRING
COMES YOU CAN TRANSPLANT
THEM OUTSIDE.

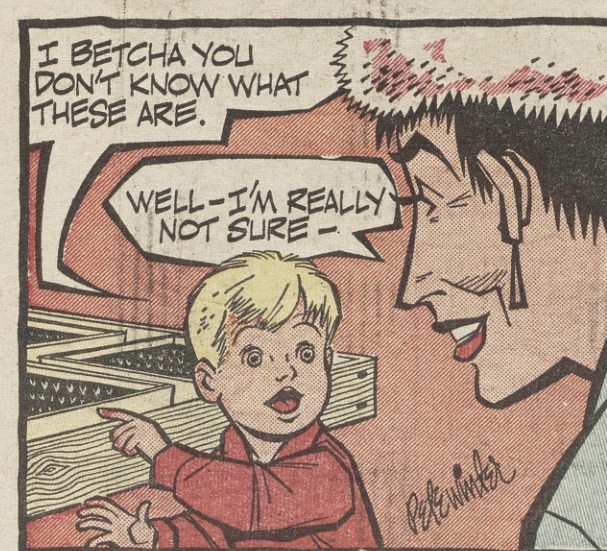

GEE—YOU KNOW A
LOT ABOUT FLOWERS,
DON'T YOU?

THEY'RE
MY HOBBY—

LET ME SEE IF I CAN NAME
SOME OF THESE—THOSE ARE
SNAP DRAGONS, AND THOSE
LOOK LIKE MARIGOLDS—

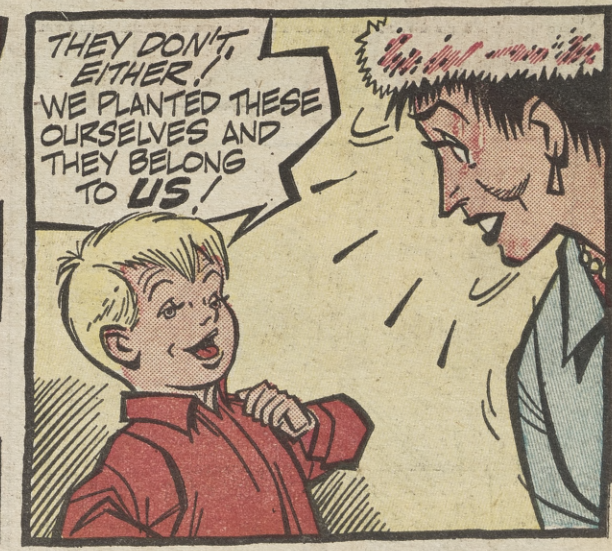

I BETCHA YOU
DON'T KNOW WHAT
THESE ARE.

WELL—I'M REALLY
NOT SURE—

THEY LOOK LIKE THEY MIGHT BELONG TO
THE BEGONIA
FAMILY.

THEY DON'T
EITHER!
WE PLANTED THESE
OURSELVES AND
THEY BELONG
TO US!
